Hello,

Since we aren't having a meeting this week, can you please review the ADP tracker and update dates and/or non-reg items by 11:00 am tomorrow? You can either send me the updates in an email or make changes to the attachment, whatever is easiest.

Idalia, can you please double check with the Regions on their actions? A few entries were added to ADP.

OAP, since you currently have no rules please update the non-reg tracker at the end.

Kristien, I assume you are looking for Administrator blurbs through Sunday, December 13th. Please correct me if I'm wrong and you need further out in December.

Thank you in advance!

Carissa
